

ALLIANCE FRANCAISE DE MELBOURNE

Video, audio or photographic image recording of classes policy

The Alliance française de Melbourne undertakes to inform students prior to any photographs, videos or audio recordings being taken. Permission will be requested, and students will have a choice to withhold or withdraw consent.

The Alliance française de Melbourne does not permit students to record (visual or audio) or to take photographs during class without the express permission of their teacher and management of the school.

You may request permission prior to the commencement of class providing you are recording for personal use only and will use the recording solely for the purpose study and will not publish or otherwise make the recording available to anyone else without further consent from your teacher and management of the AFM.
