
Diplôme d'études en Langue Française (DELF) course for

Victorian teachers

Alliance Française de Melbourne (AFM), in partnership with the Victorian Department of Education and Training (DET), is offering the opportunity for practicing government school teachers of French to undertake training for the Diplôme d'études en Langue Française (DELF - Diploma in French language) in Term 3 2024. The DELF is an internationally recognised French Ministry of Education diploma which is designed to assess the communicative skills of a candidate in a real situation, using authentic documents to evaluate know-how (writing, asking for information and exchanging opinions) rather than linguistic and formal grammatical knowledge.

The DELF for Victorian teachers comprises a 20-hour preparation course to support participants improve their written and spoken French in preparation for the DELF examination.

WHO?

The DET will fund a total of 10 practicing teachers of French from government schools to participate in the course. This course is aimed at practicing primary and secondary school teachers. AFM will be responsible for selecting the 10 teachers, and for conducting the preparation course and the DELF examination on behalf of DET.

WHEN and WHERE?

The 20-hour DELF preparation course will be conducted out of school hours between from the 30/07/2024 to the 17/09/2024 online via Zoom and our Portal on Tuesday evenings from 5.30 pm to 8.00 pm (2.5 hours a week) over 8 weeks.

Starting date: Tuesday 30th of July 2024

Finishing date: Tuesday 17th of September 2024

Participating teachers will be invited to sit for the DELF examination in October 2024.

The DET will cover course costs for participants. Participants will be required to contribute around \$60 for textbooks and class materials. Participants will also be asked to pay for their DELF examination registration fee in 2024.

WHY SHOULD I ENROL?

The DELF preparation course is a unique opportunity for practicing teachers to develop their French language skills by practicing and preparing for a diploma that will provide international recognition of their level and competencies in the French language. Participants will meet other colleagues and have opportunities to share teaching methods, as well as work towards improving their French language proficiency. Since 2012, more than 60 teachers have completed the course and all those who sat the examination were successful. This year, a further 10 teachers from government schools will be given the opportunity to take part. Don't miss out and apply now!
